	Monday-Friday	Websites
Math	<p>Students can go to the reflex website or the Dreambox website and work on those. Please note that reflex can be played online or via an app whereas Dreambox is only available online (can be accessed on a phone or ipad via a web browser).</p> <p><i>Suggestions: Approximately 30 minutes per day.</i></p>	<p>REFLEX: <a href="http://www.reflexmath.com">www.reflexmath.com</a></p> <p>DREAMBOX: <a href="https://play.dreambox.com/login/knjs/mqtz">https://play.dreambox.com/login/knjs/mqtz</a></p> <p>DREAMBOX NOTES: This is new to all of us so this week I would suggest focusing on exploring the site. To log in you must use the provided link or it will not work. You can log in via the class code (50428) or the login credentials provided to you.</p>
French Language Arts	<p style="text-align: center;">Reading</p> <p>The following websites include various reading activities. Raz-Kids is the website with the French/English books at their level with comprehension questions/quizzes included. I will assign a book a week via this.</p> <p>The BookBox youtube channel is another option. Pause the audio and have your child read the words on the screen and then play the audio to see if it was read right. 😊</p>	<p>RAZ-KIDS: <a href="https://www.kidsa-z.com/main/Login?_ga=2.73243923.1418943156.1586011327-1192311171.1586011327">https://www.kidsa-z.com/main/Login?_ga=2.73243923.1418943156.1586011327-1192311171.1586011327</a></p> <p>BOOKBOX: <a href="https://www.youtube.com/channel/UCNmfepkcaQlMEwylsbUs63g">https://www.youtube.com/channel/UCNmfepkcaQlMEwylsbUs63g</a></p>

Suggest to them that they start with the home row if they're using kidztype.</p> <p>I have also added a link to the boomcard website. I will be adding more decks this week so kids can check on this site periodically. The students know this site.</p> <p><i>Notes: Stay tuned! We will have a class blog shortly.</i></p>	<p>KIDZTYPE: <a href="https://www.kidztype.com/typing-web/browse-typing-practice.html">https://www.kidztype.com/typing-web/browse-typing-practice.html</a></p> <p>BBC DANCE MAT TYPING: <a href="https://www.kidztype.com/">https://www.kidztype.com/</a></p> <p>BOOMCARDS: <a href="https://www.boomlearning.com/">https://www.boomlearning.com/</a></p>

STEM	<p>If students are interested in doing a STEM challenge, Brilliant Labs is posting a STEM challenge a day in both French and English on their website, twitter, Instagram and Facebook page. Our home tried the "Build a self-propelled vehicle challenge" last week and it was a lot of fun. We're hoping to try the "Chain reaction challenge" this week. I have attached that one in case students would like to try it for themselves! Don't forget to share it with us on our communications page.</p>	<p>BRILLIANT LABS/LABO-CRÉATIFS:  <a href="http://www.brilliantlabs.ca">www.brilliantlabs.ca</a></p> 
Social-Emotional Learning	<p>Mr. Stewart would like to share the following websites and activity:</p> <p style="text-align: center;"><b>Magnifying Glass Activity</b></p> <p><i>Required Equipment:</i> Your eyes!</p> <p>Did you know you can turn your eyes into magnifying glasses? All you have to do is decide to look at things slowly and be really curious about what you're looking at in front of you. Try it outside by choosing an object close by and spending some time looking at it carefully. Name all the small details that make the object special. Then, you can tell someone about the object. You can also write about it or draw a picture of it.</p>	<p>BRAINPOP MINDFULNESS ACTIVITIES:  <a href="https://jr.brainpop.com/health/feelings/mindfulness/">https://jr.brainpop.com/health/feelings/mindfulness/</a></p> <p>**Our class login for this website is:  Username: Gators5fi  Password: gretna green2020</p> <p>HAND WASHING: LET'S DO OUR PART  <a href="https://jr.brainpop.com/health/bewell/washinghands/">https://jr.brainpop.com/health/bewell/washinghands/</a></p>
