

Bonjour Parents,

We are thinking of you and your family and hope you are all doing well. We are sending you a list of suggested weekly literacy, numeracy and well-being activities to support your child's learning at home. The times are a guideline, please do what works best for your family. Your child will need a username and password to sign into some websites. Please send us an email and we will send you your child's username and password. We encourage you to check our teacher pages frequently for ongoing posts.

Take Care
