

Bonjour Parents,

Welcome to our 4th week of home learning! We love seeing pictures of what your child has been doing to keep busy! Please send more pictures if you wish and we will post them on our Teacher Page! 😊

Please refer to Mr. Ryan's Teacher Page for the activities planned for each week and check out Mrs. Morehouse and Mr. Stewarts Teacher Page. Also, don't hesitate to send an e-mail if you have any questions or if you would like us to call.

This week is School Spirit Week! Here are the themes for each day.

Monday: Bookworm Day: *Gators*, this is the perfect time to get lost in a new book. Take a pic of yourself with your current read!

Tuesday: PJ Day: Home Learning calls for a new dress code. Show us a photo of you "at school" in your favourite PJs!

Wednesday: Crazy Hair Day: Many of us in the *Gator* community are rocking some seriously crazy hair these days. Snap a picture of your craziest hair!

Thursday: *Gator* Pride Day: We are all missing *Gretna Green*. Let's show our school spirit by taking a photo wearing our *Gator* gear or *Gator* colours!

Friday: Positive Message Day: We could all use some positivity. Snap a picture of yourself holding a positive message for your fellow *Gators*!

Send your photos to Ms. Bransfield at krista.bransfield@nbed.nb.ca. Each day, photos will be posted on our school FB page and uploaded to our school website.

Thank you for all that you are doing at home!

Mme Lockerbie and Mme Carroll 😊

Mme Lockerbie: monica.lockerbie@nbed.nb.ca

Mme Carroll : reba.carroll@nbed.nb.ca

Monday, April 27th, 2020 - Friday, May 1st, 2020

Math (30 min a day)	
Online resources (15-20 min)	Reflex 2 x week https://accounts.explorellearning.com/reflex/student DreamBox 3 x week (at least 5 lessons a week) https://play.dreambox.com/login/knjs/mqtz
Measurement (5-10 min)	Use objects such as paperclips, pencils, straws, shoes, spoons etc. to measure items around the house. Ex: How many shoes long is the sofa? How many spoons high is the kitchen table? How many paperclips long is the book? Ask questions: If you measure with an adult's shoe, will the sofa be more or less shoes? Make sure not to leave spaces between shoes, paperclips, spoons etc. when measuring! Be creative and have fun!
Other activities that can be done throughout the week	<ul style="list-style-type: none"> -Card games -Puzzles -Boardgames -Building (Blocks, Lego etc.)
Literacy (30 min a day)	
Reading (10-15 min)	1. Reading website : https://jelis-free.rkpublishing.com/student 1. Listen to the book. 2. Listen to the book again and read the words out loud. 3. Read the same book on your own. 2. Listen to a French story on Tumble Books. Talk about the story. Use as many French words as possible. This is just for fun. https://www.tumblebooks.com/ Username: nblib Password: nbschools
Sight word practice (5 min)	Words of the week - Watch the "mots fréquents" videos (Liste 7 et liste 8) on our Teacher Pages and practice reading the

	words and sentences.
Writing (5-10 min)	<p>1. Write some sentences using 5-10 words from the 'mots fréquents' list. Read your sentences to your favourite stuffed animal 😊</p> <p>2. Pick 5 words from the sight words (mots fréquents) and rainbow write the words. Ex: chercher</p>
Speaking / Listening	<p>T'choupi et les fleurs https://www.youtube.com/watch?v=L0i8yFXhN1A</p> <p>Rhyming videos https://www.youtube.com/watch?v=26pHTL+UavE ("an" rhymes) https://www.youtube.com/watch?v=3Fp21aBWdew ("ou" rhymes)</p>
Other Activities	
Other activities that can be done throughout the week	<p>https://www.gonoodle.com/ https://www.cosmickids.com/</p> <p>Please refer to the "Nature Ninja" K-2 document for some fun math activities..</p>
