

Math (30 min a day)

Online resources (15-20 min)	Reflex 2 x week https://accounts.explorellearning.com/reflex/student DreamBox 3 x week (at least 5 lessons a week) https://play.dreambox.com/login/knjs/mqtz
Number (5-10 min)	1. Practice subtracting 2-digit numbers using the strategies on our teacher pages. Subtraction Strategies - Subtracting by Place Value, Break Apart and Open Number Line. This can be done on paper, in the sand, etc. 2. Please refer to the Camp Mathematician document for more math activities.

Literacy (30 min a day)

Reading (10-15 min)	1. Reading website : https://jelis-free.rkpublishing.com/student 1. Listen to the book. 2. Listen to the book again and read the words out loud. 3. Read the same book on your own.
Sight word practice (5 min)	Words of the week - Watch the "mots fréquents" videos (Liste 19 et liste 20) on our Teacher Pages and practice reading the words and sentences.
Writing (5-10 min)	ABC Word Hunt: Make a list of French words that begin with each letter of the alphabet starting from A up to M . You can search words in your books, vocabulary sheets or "mots fréquents" document. A- avion B- C- chien D- E- F..... M
Speaking / Listening	1. Listen to the story about "Les règles de sécurité" (Safety Rules). Then read the book on your own without the audio. Talk to a family member or friend about how to stay safe at home, at the beach, on the campground and on a bicycle. https://www.ednet.ns.ca/ensemblecheznous/informatif/les_regles_de_securite/index.html 2. Call, facetime or visit a friend/family member who speaks French. Talk about what activities you like to do during the Summer months. Listen to my audio file on my teacher page to hear what I like to do during the summer. 😊 En été, j'aime.... En été, je vais....

Other Activities

Other activities that can be done throughout the week

Scavenger Hunt at the beach.

1. Find 3 white rocks.
2. Pick up 6 different colored seashells. Sort the seashells from smallest to biggest.
3. Make a pattern with objects found outside or on the beach.

Make an art project with objects found on the beach (sand, rocks, seashells, etc...)

Please refer to the "K-2 Weekly Steam Activities" document for hands on activities.

Please refer to Mr. Ryan's page for suggested Physical Education Activities.

Please refer to Mr. Stewart's/ Mrs. Morehouse's Teacher page for suggested activities.

Various extra home learning activities created by ASD-N, such as First Nations Education Learning Activities can be found here: <http://asd-n.nbed.nb.ca/lrsearch>
