

Math (30 min a day)

Online resources (15-20 min)	Reflex 2 x week https://accounts.explorellearning.com/reflex/student DreamBox 3 x week (at least 5 lessons a week) https://play.dreambox.com/login/knjs/mqtz
Number (5-10 min)	1. Practice adding 2-digit numbers. Please refer to the Addition Strategies document on my teacher page (Adding by Place Value and Incremental Addition / Open Number Line.) Example: Adding by Place Value (Add the tens then the ones) $31 + 24 =$ $30 + 20 = 50$ $1 + 4 = 5$ $50 + 5 = 55$ Your child can add the following 2-digit numbers. This can be done on paper, in the sand, white board with markers etc. $25 + 13 =$ $42 + 45 =$ $53 + 26 =$ $17 + 61 =$ $32 + 14 =$ 2. Please refer to the Camp Mathematician document for more math activities.

Literacy (30 min a day)

Reading (10-15 min)	1. Reading website : https://jelis-free.rkpublishing.com/student 1. Listen to the book. 2. Listen to the book again and read the words out loud. 3. Read the same book on your own.
Sight word practice (5 min)	Words of the week - Watch the "mots fréquents" videos (Liste 17 et liste 18) on our Teacher Pages and practice reading the words and sentences. Sight Word Interactive Game: http://phpstack-386632-1215838.cloudwaysapps.com/litteratout/melimotsjunior_complet/index.html
Writing (5-10 min)	Write a few sentences or a story about Summer (L'été). Refer to the "L'été" vocabulary sheet to help with your writing. Read your sentences or story to a family member or to a friend on the phone.
Speaking / Listening	Chansons: Quand c'est l'été https://www.youtube.com/watch?v=YyjMHO5viAc C'est l'été https://www.youtube.com/watch?v=S9cJE1y0-eg Livre: Un drôle de pique-nique https://www.ednet.ns.ca/ensemblecheznous/narratif/un_drole_de_pique_nique/index.html
