	Monday-Friday	Websites
Math	<p>Students can go to the reflex website or the Dreambox website and work on those whenever they'd like until the end of June (reflex should be up and available during the summer months).</p> <p><u>Weekly exploration:</u></p> <p>This week's exploration continues with decimals. I have recorded a lesson and added the link to the youtube video I created. The students don't have to do the whole lesson at once, they can pause it and record the time so they can pick it back up later. There is review on the concepts so far with decimals and then it explores some new concepts around decimals. Our math textbook is not available online but they have a resource up that is similar (Cinémath). I have added the link to it and the students can work on pages 47-51 for decimals. I don't believe you can print it.</p>	<p>REFLEX: www.reflexmath.com</p> <p>DREAMBOX: https://play.dreambox.com/login/knjs/matz</p> <p>Must use this specific link in order to log on to Dreambox. STEAM	<p><u>This week we will meet on Teams Friday at 1:00</u> to go over the progress of our tomatosphere tomatoes.</p> <p>ART CHALLENGE: I have attached a link to a super easy how to video on drawing a popsicle. Here is your challenge... You MUST draw it using your non-dominant hand only. This means, if you are right-handed you can only use your left hand to draw it. If you're left-handed then you must use your right. Post it to show me how it turns out and I will post mine too! Haha</p>	<p><u>Materials needed:</u></p> <ul style="list-style-type: none"> -your plant -sheets from week 5's home learning lesson plan <p>ART CHALLENGE VIDEO: https://www.youtube.com/watch?v=UFHt-tbBG98</p>

If they find it too hard, signal me and I will lower their level (this does not mean they're regressing).</p> <p>On the right are two links to reading comprehension sheets; one is about Donald Duck and one is about Chimpanzees.</p> <p>**FACEBOOK LIVE READING ON TUESDAY ONLY THIS WEEK AT 7PM**</p>	<p>RAZ-KIDS: https://www.kidsa-z.com</p> <p>YOUTUBE VIDEO TUTORIAL: https://youtu.be/UQLaeGTsfnk</p> <p>READING COMPREHENSION ON DONALD DUCK: https://www.ortholud.com/donald.html</p> <p>READING COMPREHENSION ON CHIMPANZEES: https://www.ortholud.com/chimpanze.html</p>
