

Gretna Green 4/5 Boys Basketball 2014

We are underway with our boys basketball here at Gretna Green. We are happy to have Mr. Paul Daley (student Intern) who will be assisting our team this year. Our team will practice and play most games on Monday's. The boys will stay after school when we have home games. Please send along a snack and water. The games should get going by 3:45 and will last about an hour. The format has changed we will play a 4 on 4, therefore we will play 10 x 4 minute shifts with a five minute half-time. This makes the shifts shorter and the players will get more time in each game.
