

Miramichi United Soccer Club

It soccer time!!!

Although we still have snow on the ground, preparation for the summer soccer program is well on its way.

As of now, online registration for the 2016 season is available at www.MiramichiUnited.ca. This is open to players of all ages from 4 years old to seniors, with teams arranged by age and gender. Space is limited, so players and parents are encouraged to register soon.

Online registration is now open - select "Player Registration 2016" from the address bar above.

For those wishing to register in person it will be at 3 Tim Horton's locations in Miramichi (Chatham, Douglastown and Newcastle) on April 9th, from 10 am -12 pm.

Please remember that a late fee of 20\$ will be applied for registrations done on or after May 1st.

Thank you,

Linda Dickson
