

SUMMER Vacation!!

(quarantine edition!!)

This summer will clearly be different. Every summer we like to travel but, this year we cannot travel because of the pandemic. So we have to change all our plans. We will be discovering more of New Brunswick. Anyway I've set a few goals to try:

- . Make a huge garden.*
- . Ride my bike at least 5 kilometres or 10.*
- . bake perfect macarons there Italian cookies.*
- . learn how to needle felt, knit or sew.*

What will you do this summer? stay safe (:
