WRITING

Given our current situation with the pandemic it appears we may only be able to travel inside our province this summer. I want you to research one of New Brunswick exciting festivals and plan a three-day, two-night stay in that city. You will have to budget your trip and include the cost of your hotel, your meals, and your entrance into the festival along with other attractions you would like to see. The cost of many of these can be found on websites, including menus of restaurants in the city you plan on visiting and the cost of your hotel choice. I understand that many festivals have been canceled due to the pandemic therefore you may have to look at the schedule of events from previous years. Good luck and have fun!

Step 1: Where are you going? When are you going? Who are you going with? What festival are you attending?

Step 2: Describe the festival you are attending and what events they have. What events do you plan on attending and what does it cost to attend these events?

Step 3: Where do you plan on staying while attending the festival? Why did you choose this hotel? Is it close to the festival? Does it have a pool or a free breakfast? What is the cost of your stay in the hotel?

	<p>Step 4: Where do you plan on eating each day? Are there certain restaurants you want to try? Are there specialty foods at the festival you plan on trying?</p> <p>Step 5: Write your conclusion. In your conclusion I want to know the total cost of your vacation, and I would like to know if you think it is a reasonable price for your vacation, why or why not.</p> <p>https://www.tourismnewbrunswick.ca/</p>
