

**READING - 30 MINUTES A DAY****READING**

Raz-Kids

<https://www.raz-kids.com/>

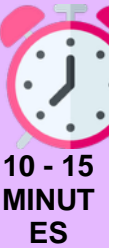

This week each student can choose a book to read on raz kids and share it with a family member. I ask that all students explain the main idea of their story to a family member or friend.

**WORD WORK**

None this week.

**WRITING**

Given our current situation, our summer is going to be quite different. This week instead of writing I am asking that each student send me short video of themselves sending well wishes for a wonderful summer to their classmates and maybe include what they plan on doing to keep busy this summer. I will be putting the clips together into a class video and posting it on my teachers page.  
Please email me your video clips [tara.foran@nbed.nb.ca](mailto:tara.foran@nbed.nb.ca)
