<p>Tuesday- Money Matters- Draw as many different ways that you can make 85 cents. Next try 90 cents. Try a few of your own as well. Be sure to draw a picture to show your different ways.</p>	<p>Reflex</p>
<p>Wednesday- Mrs. Gardiner reached into her pocket and found 4 nickels, 8 dimes, 5 quarters, 9 loonies, and 4 toonies. Use multiplication to find out how much money she has.</p>	<p>Dreambox</p>
<p>Thursday- Money Toss- Set a bowl on the floor in your house and set up a tossing line that should be far enough from the bowl to be a challenge. Using coins from around the house, try tossing them into the bowl. At the end, count the money that is in the bowl. Try this several times and keep count of your money each time with a pencil and paper.</p>	<p>https://www.practicalmoneyskills.ca/games/peterpigs/peterpigs.php</p>
<p>Friday- Coin War- How to Play Coin War Money Game: *Start with the same amount of coins in two different cups (one cup for each player). Start with a small number of coins so your first game doesn't take too long. *Then play the game just like war. Without looking, pick a coin from your cup and put it on the table. Whoever has the highest valued coin gets to keep both coins. Continue and keep refilling your cup with the coins you collect. *When you collect all of the coins, you win!</p>	<p>https://www.practicalmoneyskills.ca/games/moneymetropolis/</p>
