

Nature Ninja!

You are a superhero - your name is **Nature Ninja!** You love to be outdoors and are always most powerful when you're playing outside.

Task 1:

Super heroes must be strong to help others! Solve the following problems and do the number of exercises indicated! Have fun!

$100 - 80 = \underline{\quad}$ Jumping jacks
 $4 \times 4 = \underline{\quad}$ Push-ups
 $12 + 13 = \underline{\quad}$ Sit-ups
 $25 \div 5 = \underline{\quad}$ Laps around your house

Task 2:

Super heroes help people in need! Your elderly neighbor needs some items at the store and is unable to go themselves! If they give you \$30, which combination of the following items could you buy for them? Try and find 3 different ways.

| | | | |
|----------|-----|----------|-----|
| Bread: | \$2 | Eggs: | \$5 |
| Milk: | \$4 | Apples: | \$6 |
| Flour: | \$3 | Bananas: | \$4 |
| Tea: | \$4 | Cereal: | \$6 |
| Oatmeal: | \$4 | Sugar: | \$3 |

Task 3:

Being a superhero means that you must be fast! Let's practice by running around your house as fast as you can and have someone time how many seconds it takes you! Repeat 5 different times and record each one. Once you have recorded each of your 5 laps, put your times in order from your least time to your greatest time. What was your fastest time? What was your slowest time?
