____ Student Fee: \$25 (payable on the first day of school) The fee can be paid using SchoolCash Online (please see our website for more information), cash or by cheque made payable to the school.

Physical Education: shorts or gym pants, t-shirt, and non-marking sneakers.

Technology: a list of materials will be sent home prior to your child's session in this class.

It is not necessary to bring multiple supplies on the first day of school. Each teacher has specific items they want for each class and this will be sorted when your child gets to that class. You may need to replenish supplies throughout the school year. Most students run out of pencils and paper by January. A suggestion to save money and ensure your child is prepared for the second term would be to buy large quantities during the "Back to School" sales in August.

Please write your child's name on lunch bags, jackets, book bags and other personal belongings so that the items can be returned to them if found.
