Dear Parents:

We would like to inform you of an upcoming fundraising campaign that will take place throughout the month of November. We are asking our entire learning community to support this wonderful cause. Parker Lloyd is the sibling of one of our students and is currently undergoing medical treatments for Leukemia. Gretna Green would like to support the Lloyd family during this time.

We have several initiatives in place throughout the month and would like to remind you of the upcoming dates and how you can lend your support.

- **November 7th-28th** - Tickets are being sold on a wonderful basket (\$450.00 value) of beauty products donated by Suzanna DeWolfe from Shoppers Drug Mart. Tickets are going home with all students on November 10th. This prize is on display in the office.
- **November 14th**- Pyjama Day- All students are asked to pay \$2.00 and wear their pajamas on this day.
- **November 17th-28th**-November Campaign will be launched on November 17th. All students are asked to bring in \$2.00 and will be permitted to wear a moustache, supplied by the school, for our school assembly on November 28th. Mr. Ryan will also be growing his beard and students can pay \$0.50 for the chance to have their name drawn to shave his beard in a cool style!

We are also happy to inform you that our awesome Home & School have already kick-started our campaign with a \$500.00 donation. Thank you Home & School!

We look forward to making this campaign a successful and show the Lloyd family that they can lean on the Gretna Green family for extra support😊
