Our Young Entrepreneurs are "open for business!"

Some of our middle school students have been participating in an educational program that helps students develop the tools needed to start their own businesses. These enterprising young people are now ready to display their business plans and sell products they've developed. You are invited to attend their Market Fair. Come check out their inspiring business ideas and see these young entrepreneurs in action.

Don't forget to bring along spending money as all GG students will be visiting the fair during their school day! Most prices range from
\$1.00 to \$5.00
