STEMfest 2016

The ASD-N STEM team would like to invite one and all to attend STEMfest 2016. This exciting, first time event will be taking place from 10am-3pm on **Saturday, May 14, 2016** at Miramichi Valley High School. STEMfest 2016 promises to be a fun-filled day of learning with engaging, innovative, and creative hands-on activities for K-12 students, parents, and educators from Anglophone North School District.

In addition to a wide range of STEM based sessions, all attendees will be eligible to win numerous prizes made available by our many sponsors. These include door prizes donated by BrunNet, a 3D Printer, M-Bot (Robot), and Makey Makey Inventor Kit provided by Brilliant Labs, \$50 Gift certificates, and much more. One lucky ASD-N teacher will be walking away with a brand new iPad for use in their classroom. Golden Ticket winners from our ASD-N District STEM Fairs will have an opportunity to win prizes exclusive to them.
