### GG Buttons

Gretna Green Buttons will be on sale this week at lunch for \$2.00/button.

### Snow Sculpture Contest

Let's make a Snow sculpture! The winter season brings with it a variety of great activities to promote a healthy living style. Making a snow sculpture is just one of them! In an effort to promote healthy living at GG; we will be hosting a variety of outdoor activities for our students during the month of February. To kick things off, we will be having a snow sculpture building contest for the month of February. Simply build a snow sculpture at home and email a photo of your cool looking snow sculpture to Mr. Ryan at [brandon.ryan@nbed.nb.ca](mailto:brandon.ryan@nbed.nb.ca). These photos will be posted at school and a vote will be held for the nicest looking snow sculpture. Winners will be announced February 28th.
